## **KINDERGARTEN REGISTRATION**

A child is eligible for admission to kindergarten if she/he has attained the age of five (5) years on or before September 1, 2018. Children eligible for registration are those who will enter kindergarten who did not attend kindergarten during the current 2017-2018 school year.

The initial registration of all children will start during the month of March. We will be registering all children at Shikellamy Administrative Offices located at 200 Island Boulevard, Sunbury, PA 17801. You will then be contacted by your child's building to schedule a kindergarten screening, which will be held May 25, 2018.

Listed below is the schedule for kindergarten registration. We hope this will be helpful in planning your working schedule.

Please complete the attached form and return it to one of the elementary buildings or to the Administrative Office as soon as possible. Your appointment will be mailed to you. You will also receive forms that you should bring with you at registration. It is important that you complete these forms as accurately and neatly as possible.
